

We're always making history here in Mount Prospect!

Greetings Elementary Students!

Welcome to the Pandemic Moments Project!

We are gathering experiences from the Mount Prospect community to preserve memories of this historic time in our Village, and we'd love to include the thoughts and anecdotal adventures from resident children.

If you'd like to participate, please fill out the attached graphic. Feel free to answer the questions with words or drawings. It can be done independently or with help from an older sibling or adult.

By submitting a copy of your project, you (and your parents) agree it may be displayed publicly by the Society and placed in the Pandemic Moments archive.
